OPP report murdered man died of asphyxiation

MINDEN — Last week the Minden OPP became involved in a murder investigation when the body of a 22 year old Mississauga man was found in the bush near Furnace Falls in Snowden Township. Following an autopsy held late last week at the Forensic Science Centre in Toronto it has been determined that Kirk Malcolm Wash died of asphyxiation.

Metro Police were alerted to the homicide after receiving a call from a man who said Wash was beaten to death in the Kinmount area. Police believe Wash was murdered Friday, July 17 in a fight over borrowed money.

Two suspects in the alleged murder case, David Kernaghan 21 of Toronto and Austin Lochhead 18, also of Toronto were arrested as well as a third suspect, 17 year old Roger Charles Foster of Toronto.

The trio appeared in Lindsay provincial court on Thursday and were remanded in custody pending a bail hearing.

Police capture Collins Bay escapee near Coboconk

MINDEN — At about 1 am on Sunday, July 26th, Constables Solway and Bowers of the Minden OPP stopped a car occupied by two males and a female on Hwy. 35 here. On stopping the car the driver jumped out and ran into the bush. A subsequent check revealed that the plates on the car were stolen and the occupants were suspects in multiple break and enter charges in the Toronto area.

The two remaining occupants were Kent Colby 17 and Barbara Hennings 17 both of Toronto who were arrested and turned over to Metro police.

In the meantime it was learned that the driver who ran away, was Randal Steven Steele 24, who escaped from Collins Bay Institution on June 21 and a Canada wide warrant had been issued for him.

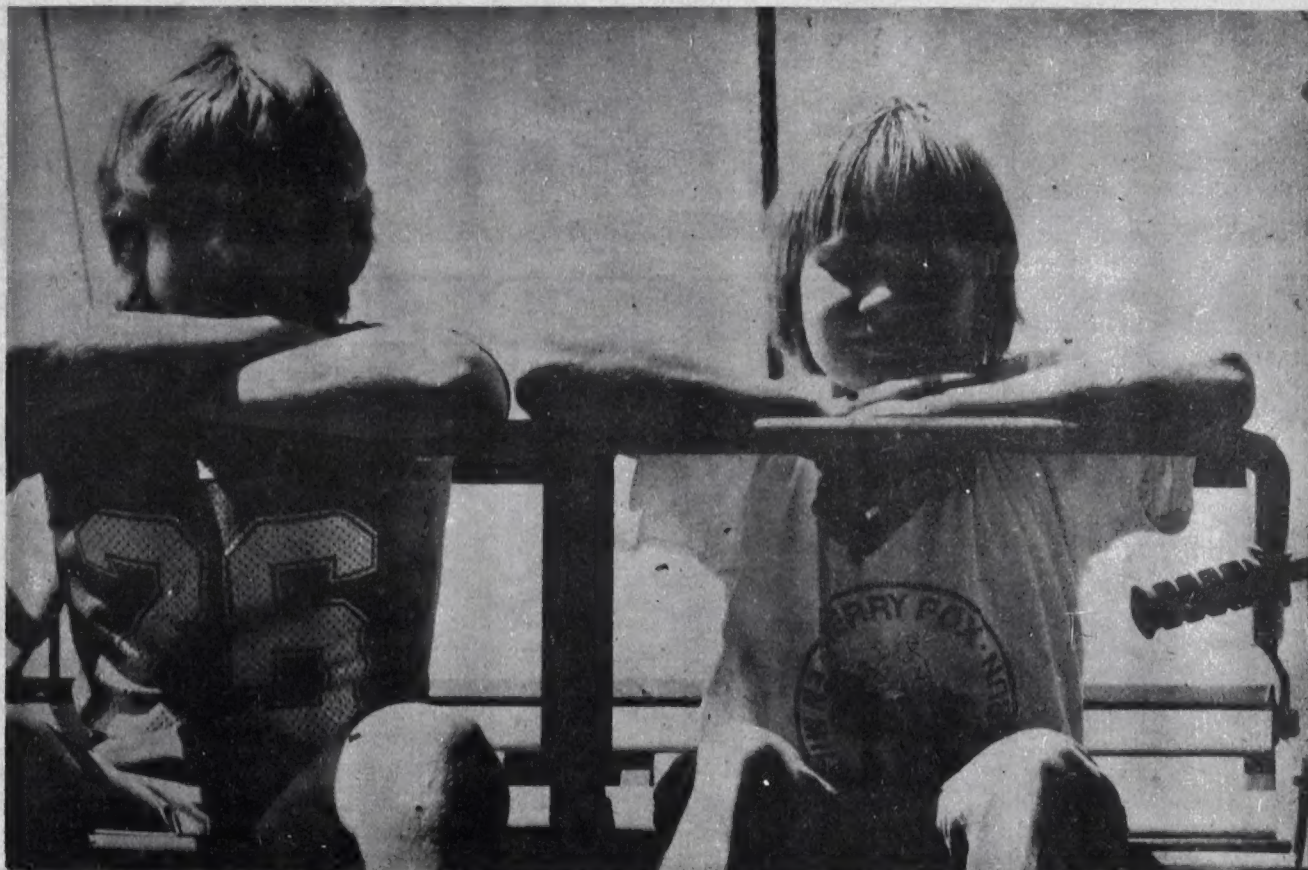

Steele managed to obtain a ride south on 35 and this information was passed onto the Coboconk OPP who stopped a vehicle south of Coboconk. However, Steele again made it to the bush and a subsequent search followed involving three detachments, a canine team and helicopter which resulted in the arrest of Steele.

Three persons injured in two collisions, drivers are charged

MINDEN — During the week of July 20-26, Minden OPP investigated 140 general occurrences which included two break and enters, eight thefts, nine damage complaints, five liquor violations and one impaired driving charge. They also investigated 18 motor vehicle accidents, 12 property damage complaints, five personal injuries and one hit and run.

Sunday morning at 3:00 am, police report two collisions resulting in serious injuries to three persons. Alex Spadafora 28, of Toronto was driving a dune buggy on the Brady Lake Road when he slid into the ditch and rolled over.

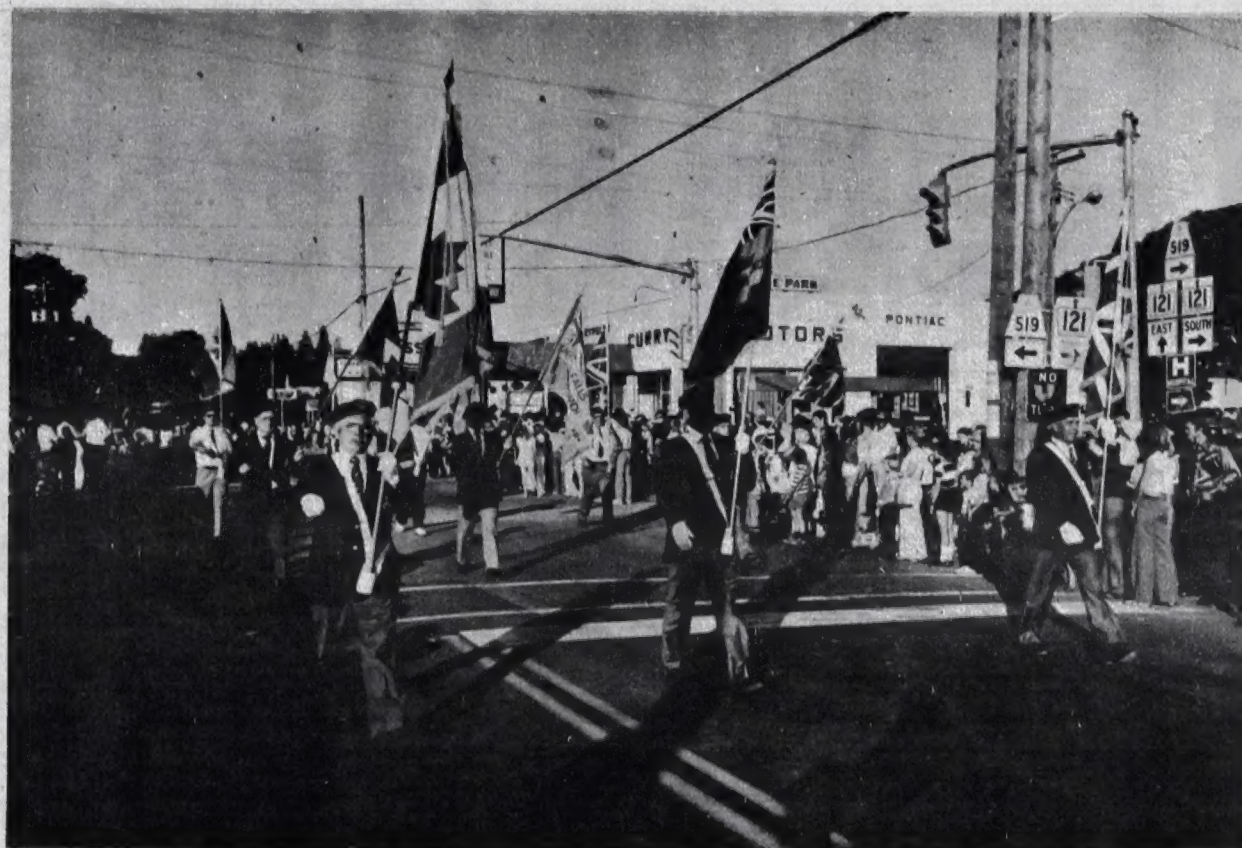

Spadafora received internal injuries and his passenger Tom Hards 17 of Toronto received a broken ankle. Both were taken to Lindsay hospital. A third

Over 20,000 have enjoyed Sky Slider here

HALIBURTON — Since the Sky Slider opened here on July 4th, more than 20,000 people have taken rides down the magnificent hill. Among the latest, were these two youngsters, Mike Paroshy 13 of St. Catharines (left) and

Eric Rocks 12, of King City. Both boys are visiting the County at Kennis Lake where their parents own cottages. This was their first ride and when they were off, said they were going up again.

Bands highlight Legion Carnival Parade

HALIBURTON — Last Saturday the 38th annual Haliburton Legion Carnival was highlighted by their parade featuring many bands including the OPP band, Hastings-Prince Edward Regiment band, Kawartha Shrine of Bracebridge as well as the Bancroft and Haliburton Le-

gion bands. The carnival got underway on Friday evening with rides, games of chance and concluded on Saturday evening with a dance at the auditorium featuring the popular Margie and the Country Gentlemen.

passenger, the drivers wife, escaped without injuries. Police say charges are pending.

At the same hour, another collision occurred on Kashagawigamog Lake Road. Robert Josephson 17, of Hampstead, Que., was driving his Toyota when

he went off a curve and struck some trees. He received lacerations and a concussion and is presently in Sunnybrook hospital in Toronto. Police report he has been charged with careless driving. PC Brown.

EDITORIALLY SPEAKING

Canadian people are in trouble but not their MPs

After the postal strike is over, after the long hot summer, after Canada tries to get back to the job of trying to restore some sense to our economy, we will be left with a nightmare.

That is the fact that our members of parliament cannot be trusted.

While Canada's inflation runs at about 12 percent, unemployment is far behind and the economy staggers, our MP's voted themselves what amounted to a 31 percent pay hike. What's more, they voted themselves future regular pay boosts to keep up with inflation, improved pension and severance pay. On top of that they and their civil service companions have pensions indexed to inflation.

At the same time our Ontario MPPs did just about as well, boosting their income a whopping 22 percent, and adding other benefits.

Maybe our MPs and MPPs deserve the increases but when the country is sinking under the weight of inflation and people are being asked to tighten their belts it was completely irresponsible for the legislators to take such whopping increases now.

And it is criminal for MPs to further protect themselves from inflation when the rest of us (the people who pay their salaries and pensions) cannot.

We suspect that the future will show that the MPs and MPPs' pay hikes did greater harm to the economy and moral of this country than the present postal strike.

\$600,000 Sky Slider officially opens in Haliburton

HALIBURTON — The Sky Slider ride here officially opened last week, with representatives from the ministry of Industry and Tourism, the local Chamber, owner Steve Bowskill and the entire Dysart council on hand for the occasion. The new \$600,000 ride only second of its kind in the province, was built in record time and has attracted thousands of riders to date. Mr. Bruce Potter, area rep for the Industry and Tourism acted as master of ceremonies and read a letter of congratulations from Tourism minister Mr. Larry Grossman. MPP John Eakins also expressed his congratulations to Mr. Bowskill, noting that the ride has provided employment for many local residents and will now act as a focal point for tourism in the County of Haliburton.

Finder gets \$200 reward

HALIBURTON — Early Sunday evening well known Buck Woods of Haliburton (former barber) turned over a purse he had found to Minden OPP Constable Al Bibby. On checking the purse for identification, it was found to contain \$1,450.00 in cash and very valuable jewelry.

Marguerite Mamann of Willowdale, Ontario expressed her thanks with a reward of \$200 to Mr. Woods.

Wee Gem of Wisdom

*My life is but a weaving, between my God and me,
I do not choose the colours, He worketh steadily,
Offtimes He weaveth sorrow, and I in foolish pride,
Forget He sees the upper, and I the underside,
Not till the loom is silent, and the shuttles cease to fly,
Will God unroll the canvass, and explain the reason why,
As the threads of gold and silver,
In the pattern He has planned.*

SAUSAGE SORCERY

AUGUST

If you're a person on the go, here are some time-saving lunch and supper recipe ideas that can be prepared ahead of time from the home economics consultant for Union Carbide, Joan Colnett.

***Ham Quickie Buns.** Cut 1/2 pound (250 g) processed sharp cheese into cubes; slice 4 green onions and chop 2 hard-boiled eggs. Combine them with 1/2 cup (125 mL) tomato paste blended with 2 tablespoons (30 mL) of mayonnaise. Cut 1/4 pound (125 g) of sliced smoked ham into strips and divide between 8 hot dog buns. Spread each with cheese mixture. Wrap each bun in foil and place in refrigerator until ready to heat. Bake for 15 minutes or until cheese is melted and sandwiches are ready to eat.

***When the gang drops in for a snack,** make them Wiener Wraparounds. Heat wieners; split lengthwise but not completely through. Fill with grated old Canadian cheese; wrap around with breakfast bacon; secure with toothpicks; broil in hot oven; cut in quarters; serve stuck with toothpicks for easy handling.

***Sliced wieners,** sauteed in butter and added to Spanish rice makes a quick and tasty dinner. Complete the menu with fresh

green beans and a tossed salad.
***Lentil and Sausage Casserole** provides a nourishing meal. Preheat oven to 400°F. (200°C). Place in greased oven-proof dish 1 cup (250 mL) of cooked lentils. Place 1 pound (500 g) pork or beef sausage in boiling water and simmer for 10 minutes. Drain and place on top of the lentils. Bake the dish uncovered until the sausages are brown. This makes 4 servings.

***Sausages baked with apples** can be a real pleaser. Arrange in a baking dish: 8 partially-cooked pork or beef sausages. Core 6 tart apples, cut into 1/4-inch (6 mm) slices and place around sausages. Sprinkle with 1/4 cup (175 mL) brown sugar. Bake in preheated oven at 400°F. (200°C) for 10 minutes. Reduce heat to 350°F. (180°C) and continue to bake for about 15 minutes. Baste with the drippings. Makes 4 servings.

***Wieners and Sauerkraut** provide solid family fare. Melt 2 tablespoons (30 mL) butter in a large skillet. Add 1 medium onion, chopped, and cook until tender, but not brown. Add 1 teaspoon (5 mL) caraway seeds, 1 28-ounce (796 mL) can sauerkraut and 1/4 cup (50 mL) applesauce. Mix well. Place 1 pound (454 g) of wieners on top. Cover and simmer 15 minutes. Serve with additional applesauce. Makes 6 servings.

Copy of "Sausage Sorcery", a recipe booklet prepared by Union Carbide Canada Limited, may be obtained by writing Family Food Service, 245 Davenport Road, Toronto, Ontario M5R 1K1.

Nelda Cully outstanding Dixie Lee hammers Guilford for two wins in four days

DL wins 3, Cully stars in wins over West Guilford MINDEN — The Dixie Lee-Homestead ladies of Minden will not finish first in their league this season but they are definite contenders for a playoff series.

In the last seven days, they have chalked up three straight wins and with just three games remaining in the 1981 league schedule, have the momentum it takes going into the playoffs in less than two weeks.

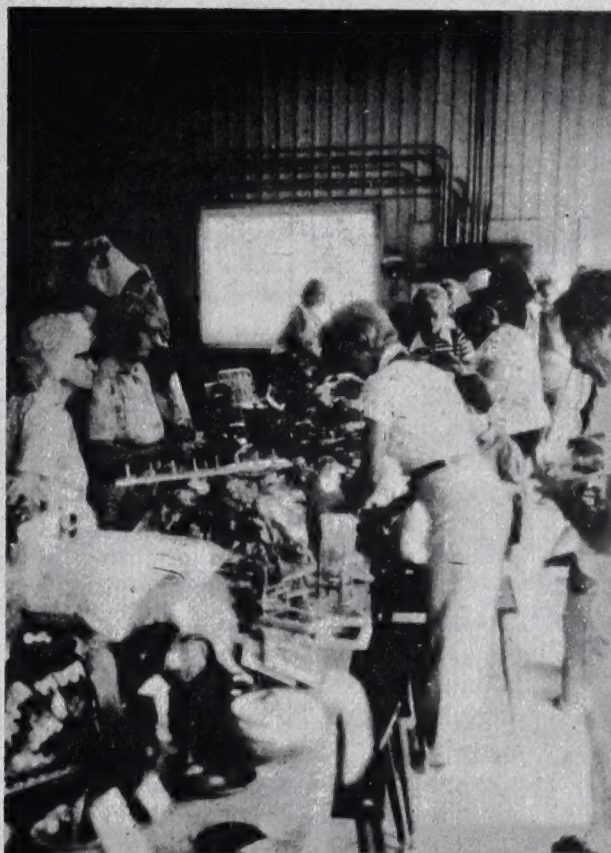

Last Tuesday here, the Dixie Lee squad completely dominated Wilberforce to the tune of 18-2. Marg Filding went four for five at the plate in this contest while Helen Burk and Barb Barnhart smashed homers. Nelda Cully was the winner while Linda Herbert took the loss.

Then on Thursday evening the Minden crew headed for West Guilford to take on the league leading Merchants. They trailed 6-2 after four innings to the tough Guilford crew but never quit and in the top of the fifth scored five runs to lead 7-6. They added two more runs in each of the seventh and 8th innings to win going away 11-7. Nelda Cully again picked up the victory while Joan McKay suffered the loss.

In Minden this past Monday evening Nelda Cully was the whole story for the Minden gals. She not only pitched perhaps her best game, giving up five runs on eight hits and five walks, but also cracked a triple and double as well as a single handedly putting out five WG batters with outstanding fielding plays.

Cully led off the game in the bottom of the first with a triple, starting a comeback from a first inning four run lead by the Guilford gals. She scored on Marg Fieldings single and before the inning was over Minden had four runs cross the plate to tie the ball game.

West Guilford managed another run in the second inning but that was as much as they were to get on this evening. The DL gals added a pair to take

the lead 6-5 in the third and they added five in the fourth on their way to a 13-5 victory, knocking the WG team out of first place for the first time this season.

In other games West Guilford tied Haliburton 9-9, Minden Juniors blew out Gooderham 34-20, Carnarvon dumped the Juniors 13-3, Haliburton edged Gooderham 9-7 and Carnarvon smashed Wilberforce 17-4.

Standings for Monday, July 27th are as follows: Haliburton 16,4,1 for 33 pts; West Guilford 15,5,1 for 31; Carnarvon 15,4 for 30; Dixie Lee 12,9 for 24; Minden Juniors 6,14 for 12; Wilberforce 3,17 for six and Gooderham 2,18 for four pts.

The Haliburton County Ladies annual tournament is now set and play will commence Saturday, Aug. 8th and conclude Sunday, Aug. 9th. This year the games get underway at 8:30 a.m.

STANHOPE — Close to 500 people attended Stanhope's third annual fun day on Saturday and committee members headed by Ann Barker report this was the most successful year to date. All events were well attended from horseshoe pitching to the dog show, the fire dept. demonstration of burning vehicles and all other attractions. Winners names will be published when the results are finalized, however the lucky winner of the annual hind quarter of beef draw was Bob Barclay of Carnarvon and second prize winner of the long loin of beef went to J. Bouchard of RR 2, Minden.

MINDEN — At their last regular meeting, council had no objections to Yvonne Vantour and Ray Laurenson opening an accounting and bookkeeping business in Maud Campbell's house on Main St. south, providing that the transient license fee of \$150 is paid in advance of Sept. 1st. and the building is repaired to the satisfaction of the building inspector.

Council also approved the issuance of a transient license to Becker's Milk Store on Main St., pursuant to by-law 78-11.

Mr. B. Berry was present regarding the decision from the Provincial Cabinet with respect to the Terrelac Properties plan of subdivision on Minden Lake.

The Association requested that the park lot be sold as a seasonal residential lot rather than developed and used as a public park. Also the members are against any great number of backlots being created especially with access to Minden lake via a public park land.

Road Superintendent, Richard Schell, advised council that the culvert under the Golf Course Rd is not draining properly. It appears to be an original stone culvert and will therefore need to be replaced with a new metal pipe.

Council approved Lewis Stevens be permitted to operate a "Second Hand Shop" and "secured storage" warehouse from his property in Lot 5, Con. 3 in the Township of Minden.

Parks and Recreation manager, Brian Sisson, was authorized by council to purchase a tag-a-long trailer for parks purposes provided that the cost does not exceed \$1000. subject to the approval of the roads and parks committee.

Council accepted the tender of G. Glass Products to supply and install aluminum storm windows at the municipal building for the sum of \$1,975.45. Work to be completed before Oct. 31, 1981.

**Stanhope Council meets —

STANHOPE — The July meeting of the council for the Township of Stanhope met recently with all members present. The following business was conducted.

Mr. Ray Woodward was present and received authorization to install and operate a portable saw mill and woodcutting operation on Part of Lot 14 Con. 4 (off hwy. 35 at North Shore Road) with the understanding that this purchase of the said property is contingent upon re-zoning from M2 to M1 and further that Mr. Woodward understands the risk involved should rezoning not be allowed.

Council approved the posting of the 66' road allowance on part Lot 27, Con. 6 as outlined in by-law 80-19 and notification of same was posted. Continued vehicular traffic across this allowance will result in a barricade being erected.

Council had no objection to the proposed Quarry permit on Lot 8 as proposed by Larry Hewitt provided that it or any further permits in the area do not interfere with the County Snowmobile Trails.

The proposed access stay in the name of the township and service parts owned by Thomas Tidey, Bernice Tidey, Alice Wolsom and Robert Jennings and the sign be relocated to the north side of the access road. The access road is to be 66' in width measured north from a hydro pole.
